# LISTE MAÎTRESSE DES CONTACTS - OTTAWA-CARLETON, avril 1986

## INTRODUCTION:

Le présent bref répertoire renferme la liste des organisations communautaires de la région d'Ottawa-Carleton, qui sont:

1) connues des auteurs
2) basées sur l'adhésion de membres (membres individuels, groupes ou les deux) et
3) utilisent certaines de leurs ressources pour influer sur l'établissement des politiques à l'échelle locale.

Le Groupe d'interaction communautaire remercie les organisations qui figurent ci-après pour lui avoir fourni des renseignements à leur sujet, ainsi que le personnel des municipalités locales qui ont partagé avec lui leurs connaissances spécialisées sur les groupes sis dans leur limites.

## Comment se servir de la liste:

Toute l'information apparaît dans l'ordre alphabétique. Parce que nous utilisons un micro-ordinateur:

- les numéros précèdent les lettres
- les majuscules précèdent les minuscules
- la ponctuation n'est pas conventionnelle (les points précèdent les lettres et les traits d'union viennent ensuite).

Le nom de certaines associations ne commence pas par le terme le plus descriptif (à savoir Association des résidents d'Orléans Wood par opposition à Orléans Wood Residents Association); nous avons donc prévu une liste de renvois à la fin du répertoire. Deux zones ont été prévues pour aider le lecteur à repérer des groupes: 1) TYPE et 2) G-CODE-G. Ces codes sont décrits ci-dessous. Nous avons ajouté des mini-index pour ces deux zones à la fin du Répertoire.

NOTA: Nous vous demandons de ne pas fournir le numéro de téléphone au travail, sauf si l'organisation a son propre bureau. Autrement, vous pourriez téléphoner à un bénévole à un endroit qui n'a rien à voir avec l'organisation qu'il représente sur la liste.

# MASTER CONTACT LIST - OTTAWA-CARLETON, April, 1986

## Introduction:

This short volume contains listings of community organizations in the Ottawa-Carleton Region which are:

1) known to the authors
2) membership-based (either based on individual members, group members, or both), and
3) utilize some of their resources influencing local policy-making.*

The Public Participation Group wishes to thank the listed organizations for their assistance in keeping us up to date with information about themselves, and the staff of the local municipalities who have shared their specialized knowledge of groups within their borders.

## How to Use This List:

All listing are in alphabetical order. Since we are using a microcomputer, we must live with its idea of order. That means:

- numbers precede letters
- upper-case letters precede lower-case letters
- punctuation is more erratic; periods precede letters; hyphens follow.

Also, some association names start with generic terms (such as "Association of Residents of Orleans Woods" instead of "Orleans Woods Residents Association"). We have tried to cross reference most of these in a separate list at the end of this introduction. Two fields have been added to further assist the reader in finding groups: 1) TYPE and 2)GEO-CODE. These are described below. As a new feature, mini-indexes for these two fields are now included at the end of this volume.

NOTE: Try not to use the office/work phone numbers, except where the organization has its own office. Otherwise you will probably be phoning a volunteer at a location not connected with the organization they represent on the list.

Révision de l'information

Étant donné que la présente liste n'a pas été établie selon une méthode d'inscription obligatoire, nous ne pouvons garantir qu'elle est complète et exacte. L'information a été vérifiée avant d'être imprimée, dans la mesure où les ressources limitées du Groupe d'interaction communautaire l'ont permis. Elle sera plus exacte et plus complète au fur et à mesure qu'elle sera utilisée.

Maintenant que nous avons finalement notre liste sur micro-ordinateur, 1) la mise à jour sera plus rapide et se fera avec plus d'exactitude et 2) les informations seront disponibles sous plusieurs formes. Ainsi, lorsque vous aurez des renseignements à ajouter ou voudrez obtenir des renseignements plus récents, vous n'aurez qu'à nous téléphoner. De même, pour obtenir le présent répertoire ou une liste des autres publications du Service de l'urbanisme, téléphonez-nous, passez au bureau ou envoyez-nous une note. Nous avons également une carte de référence illustrant les limites jurisdictionnelles de ces associations.

Faites-nous savoir comment la liste pourrait davantage répondre à vos besoins.

Revising Information

Since this list is not based on any mandatory registration procedure, there is no guarantee that it is complete or accurate. Within the limited resources of the Public Participation Group, information is checked before inclusion. This list will grow in accuracy and completeness as its use widens.

Finally, now that the list is on a microcomputer in our office and under our control, 1) up-dating will be faster and more accurate, and 2) the information will be available in a variety of forms. In short, if you have information to add or need more recent information than you find here, just give us a call. Likewise, for a copy of this list - or for a list of the other publications of the Planning Department, call us, drop in, or drop us a line. We also have a reference map with the boundaries of these associations plotted.

Let us know of ways that this list can be made more useful for your needs.
